Note: We have recently transitioned to a new administrative system which now reports counts **based on processing date** of certifications. This report reflects this change and may affect your numbers appearing in different columns, but the overall count will remain the same. There are a few areas that we would like to bring to your attention:

. Expanded distinctive counts now show all certification detail

. Referral category has now been expanded to show linked and Referral Completion form entries

Please contact your local PADI office if you have any questions regarding this report.
